"We Care. We Fight. We Show Up. We Vote."

Dear LAFSE Members,

November 8th is fast approaching, and we want to remind our members that voting is one of the most significant ways to participate in the democratic process.

We strive to have one, unified voice that votes for candidates who will stand up for the needs of our students and staff. AFT-NM endorses candidates in elections who will support initiatives including NM Constitutional Amendment #1, which addresses class sizes, funding for early childhood education, and raises for all educators. Please consider supporting our AFT-NM endorsed candidates, many of whom are current or former educators.

While we support these endorsements, we encourage members to educate themselves on all candidates and their platforms. Then, make sure to go out and vote for the candidates and positions you support. Be the difference that you want to see in our schools and our education system.

In solidarity,

Stacy & Trey
